

Improving Customer Service Sylvan Lake Regional Wastewater Commission

Dear Landowner/Homeowner:

D – Line Construction LTD. has been contracted by the Sylvan Lake Regional Wastewater Commission to install a septage facility and force main in your area. This project is scheduled for June 10, 2010 to October 31, 2010. As all construction is on public property, the intent of this project is to minimize any disturbance to privately owned properties and maintain roadway usage.

Thank you for your cooperation in this matter and D – Line Construction Ltd. will attempt to minimize any inconvenience this may be to you. Should you require more information regarding this project, please contact D - Line Construction at 1-877-986-5540.

If D - Line Construction LTD is unable to answer your questions or concerns please call Stantec Consulting Ltd. at 403-341-3320.
